Lutheran Grant Program Guidelines

Program Summary

The purpose of the Lutheran Grant Program is to improve and support the health and vitality of the Lutheran community. The overarching goal of the Lutheran Grant Program is to provide grants that help Lutheran nonprofit organizations and those they serve achieve stronger economic security and sustainability.

Funding

Funding of these grants is provided by the Thrivent Financial for Lutherans Foundation (see "What is the Thrivent Financial for Lutherans Foundation" below). All grants are made at the sole discretion of the Foundation, and the Foundation may make exceptions in its granting and/or designate a specific cause or emphasis for more focused granting. A large number of grant requests are received each year through the Lutheran Grant Program. The Foundation cannot fund all of the many worthwhile proposals that are submitted.

To help you learn more about the program and walk you through the request process, this document includes:

- Specific guidelines and requirements of this program in a question and answer format.
 - Grant proposal requirements and hints/tips.
-

Program Guidelines and Requirements

FAQs

Q. Who is eligible for grants through this program?

- Lutheran nonprofit organizations that are exempt from federal income tax under section 501(c)(3) of the IRS Code.
- Church bodies that have fewer than 100,000 baptized members.
- Lutheran judicatories, congregations and some inter-Lutheran entities that are considered integrated auxiliaries of the church.¹

Lutheran church bodies with more than 100,000 baptized members, private foundations and individuals are not eligible for grants through this program.

Organizations that have a current grant project active under this grant program are not eligible to apply for a new grant through this program until the final grant report has been submitted to the Thrivent Financial for Lutherans Foundation.

Q. What determines if an organization is "Lutheran?"

The Lutheran identity of an organization is determined by at least one of the following criteria:

- The mission statement references a Lutheran connection.
- The by-laws of the organization stipulate that a majority of the governing board are "Lutheran."
- "Lutheran" appears in the name.

Q. Can our organization apply for a grant when we are currently engaged in a grant project funded by the Lutheran Grant Program?

- Organizations currently engaged in a grant project funded by the Lutheran Grant Program may not apply for another grant through this program until the final grant report has been submitted.

Q. What types of projects and expenses are not funded through the Lutheran Grant Program?

- Debt reduction or operating deficits.
- Grant proposals that meet needs that Thrivent Financial for Lutherans is already addressing may be excluded from consideration (e.g., senior services, national and regional events, etc.).
- Capital costs involving the purchase of major equipment including technological equipment such as computers and associated software, furnishings, vehicles, facility construction or renovation.
- Consultation services, with the exception of feasibility studies.
- Publication costs.
- Projects that compromise Thrivent Financial for Lutherans Foundation's neutral position in the Lutheran community, including lobbying or political activity of any kind.

While Thrivent Financial works with Lutheran congregations and institutions, it is not part of the Lutheran church. It does not take positions on matters of church politics, theology or doctrine. Thrivent Financial takes a neutral position on issues where significant disagreement or debate exists. Therefore, the organization declines grants and gifts to projects that support positions not generally agreed upon in society at large. For more information, please refer to Thrivent Financial for Lutherans and Thrivent Financial for Lutherans Foundation Policy on Grants and Gifts.

¹An integrated auxiliary of a church means an organization is described in sections 501(c)(3) and 509(a)(1), (2), or (3) of the Internal Revenue Code, affiliated with a church or a convention or association of churches, and internally supported

Q. Is there a maximum project length?

Grant projects may not exceed two years.

- The minimum grant amount is \$5,000.
- The maximum grant amount is \$100,000. Grant requests over \$25,000 must first complete a concept proposal.

NOTE: Funding preference is given to Challenge Grant requests. Also we look favorably at project budgets which seek to minimize expenses such that the grant requested is under the maximum.

Q. How do we access a grant application or concept proposal form?

These forms are obtained by completion of our online eligibility survey.

Q. What are the deadlines for submitting grant proposals?

Lutheran Grant Program proposals may be submitted at any time during the year.

Q. When will we be notified that we have or have not received funding?

Depending on the size and scope of the grant request, decisions will be communicated within eight weeks of receiving the proposal. During periods of high volume, the decision cycle may be extended. You will be notified if the decision cycle is extended.

Grant Proposal Tips and Requirements

- Take time to develop an achievable plan.
- Use the grant proposal form to present a compelling case for your proposal.
- Use succinct and easily understood writing to help gain consideration by grant reviewers.
- Keep in mind that the review of your proposal will start with these key questions:
 1. Are the project goals reasonably stated, defined and measurable?
 2. Does the project and organizational capacity lead toward security and long-term sustainability?
 3. Are the revenue and expense line-item projections based on solid rationale and logic? Remember that nongrant revenues must equal or exceed 25% of the total project expenses. More favorable consideration is given when nongrant revenues total more than 25%

Grant Writing Criteria

Developing a strong grant proposal takes time, dedication and coordination of several activities, such as planning, developing a budget, writing a proposal and, in many cases, reviewing and revising your proposal before you submit it. Take time to fully understand the grant writing criteria that will be used by reviewers when evaluating your grant proposal.

- Avoid jargon and, if acronyms must be used, use the full name/title on first reference
- When writing, put yourself in the grant reviewer's place. If you weren't the one who wrote the proposal, would you have a good understanding of what your organization wants to accomplish? Would you fund the project?
- Establish and relate tangible, measurable goals and clearly articulate each one
- Give yourself sufficient time to develop your grant proposal in order to meet the grant submission deadline. Consider the time you may need to write and revise multiple drafts, gather relevant information, and submit it through any internal review process that you may have in place
- Ask other individuals (both those who are directly and indirectly involved in your project) to read your grant proposal before you submit it. Consider clarifying any areas that raise questions or are not clear to the reviewer

Thrivent Financial for Lutherans and Thrivent Financial for Lutherans Foundation

Thrivent Financial for Lutherans is a financial services membership organization helping nearly three million members achieve their financial goals and give back to their communities. As a not-for-profit organization, Thrivent Financial creates programs and activities that benefit Lutheran congregations, schools, charitable organizations and individuals in need.

While Thrivent Financial works with Lutheran congregations and institutions, it is not part of the Lutheran church. It does not take positions on matters of church politics, theology or doctrine. Thrivent Financial takes a neutral position on issues Thrivent deems controversial in society at large and will generally, in its discretion, decline grants and gifts to such organizations or projects whose primary purpose is to advance one side of the issue.

Thrivent Financial also strives to be a good citizen and works with other businesses and charitable organizations in communities where large groups of its employees and field staff work. The activities it undertakes include grants, partnerships, sponsorships, employee gift matching and volunteerism. The position of neutrality described above also applies to any of those activities, including charitable or cause-related marketing.

In addition, the position applies to granting and gifting via the Thrivent Financial for Lutherans Foundation. The Thrivent Financial for Lutherans Foundation is a private foundation funded by Thrivent Financial for Lutherans. As a 501(c)(3) organization with its own board of trustees, the foundation is organized and operated exclusively for charitable, religious, scientific, literary and educational purposes and makes grants and gifts to 501(c)(3) exempt organizations. The foundation does not provide grants to individuals.
